

# Library Recommendation Form

Dear Librarian / Library / Acquisition Committee

I would like to recommend International Journal of Numerical Analysis & Modeling,  
ISSN # 1705-5105 for our library.

Please include it in our serials collections with my recommendation.

I strongly recommend that our Library subscribe to this journal for the following reasons (tick as appropriate):

The scope of the journal is highly relevant to our research and teaching in my department. [ ]

The journal is interdisciplinary in nature and will be of interest to other departments. [ ]

The Editorial Board members are highly recognized scientists in the field. [ ]

I will need to refer to this journal frequently for my work. [ ]

I will be referring my students to this journal regularly to assist their studies. [ ]

I am an editor / editorial board member of the journal. I therefore strongly support the journal. [ ]

I am an author of this journal. [ ]

I have other reasons for recommending this journal which are as follows: [ ]
